We have to record to-day, the death of Major-Gen. John Nason, which event occurred yesterday afternoon, at 4 o'clock at his residence in this village. He came to this town, from New Hampshire, in 1794, where he has ever since resided. He was one of the oldest men in the county, and was fully posted in regard to the early history of St. Albans.

He was a kind-hearted, honest man, and always took a deep interest in everything relating to National and State affairs. The funeral will be held at the Congregational Church, at 1 o'clock tomorrow. The funeral procession will be escorted by the band, and his body laid in its final resting-place, with Masonic honors. All the brethren are requested to join the procession.

## Legislature of Vermont—1868.

WEDNESDAY, Nov. 18.

## SENATE.

**Passed.**—S. 82, in amendment of an act "of money account and interest," (fixing the rate of interest at 7-10 per cent.)

Mr. Burt moved that it be ordered to lie, and opposed the bill. Mr. Barlow opposed this motion and advocated the bill as a short step in the right direction. The motion to lie was lost. On its passage, Mr. Bullard called for the yeas and nays, which were as follows:

Yeas 7.  
S. 37, to incorporate the Missisquoi Bay Ferry Company.  
S. 113, to enable pew owners and proprietors of the brick church in Swanton, to dispose of the same.

S. 114, authorizing the Rutland railroad company to locate branches of their road and construct the same in Brandon.

S. 111, to amend an act authorizing the construction of bridge from Alburgh and Isle La Motte.

Mr. Hendee called up H. 90, to discontinue the allowance of interest on funds in the Treasury of the State, and proposed several amendments, providing for a more extended and complete notice to soldiers or their representatives who have unsettled allotment accounts, and authorizing the Treasurer to adopt such rules and regulations in the settlement of these accounts as he shall see fit. Passed with proposal of amendment.

## HOUSE.

**Bills Read Third Time.**—H. 118, in amendment of an act to incorporate the Missisquoi Railroad Company; passed.

H. 121, to pay James A. Pollard the sum therein mentioned.

Mr. Brigham of Hydepark called for a statement of facts from committee on claims.

Mr. Pingry of Weatherfield, for the committee, stated that Mr. Pollard had been superintendent for several years; and that when he accepted the office he supposed his family was to be supported in addition to his salary of \$500, but he found that it was not so, that all he was entitled to receive was his salary of \$500. The committee thought it no more than right that Mr. Pollard should have this extra pay for the last three years, the same as had been paid him for the first three years service.

**Unfinished Business.**—H. 6, to authorize the Bennington and Rutland railroad to extend its road to West Rutland, was taken up.

After further discussion and the adoption of one or two amendments the bill was ordered to the third reading.

## AFTERNOON.

Mr. Park of Bennington, moved the suspension of House rule, No. 26, and that H. 6, to authorize the Bennington and Rutland Railroad Company, to extend its road to West Rutland, be put upon its passage at this time. Agreed to, and bill was read the third time and passed, after the correction of several clerical errors in the bill.

**Senate Bills Referred.**—S. 36, directing the Governor to appoint a committee to investigate the matter of changing the site of the State Prison; to a special committee of five.

**Joint Resolution.**—By Mr. Varnum of Peacham, relating to the death of Hon. Thaddeus Stevens; adopted on the part of the House.

**Resolution.**—By Mr. Hunt of St. Albans, that the committee of ways and means be instructed to inquire whether further legislation is necessary in regard to the pay of the directors of State Prison.

Can it be possible that over Five Million Bottles of Plantation Bitters have been sold during the past year? It is almost incredible, nevertheless it is absolutely true, and is the most convincing proof of their wonderful medicinal and health-restoring qualities. Every family should be supplied with these Bitters, at whatever cost or trouble it may be to obtain them. Be careful that you get the genuine, and that you are not imposed upon by a spurious article.

**MAGNOLIA WATER.**—Superior to the best imported German Cologne, and sold at half the price.

**FULTON MARKET.**—Just received, a nice lot Dried Beef, Sugar Cured Hams, Bologna Sausage, Sweet Potatoes, Tomatoes, Peas, Peaches, Water Melons and Musk Melons. dtf-94.

Have you a Cough, Cold pain in the Chest, or Bronchitis? In fact, have you the premonitory symptoms of the "insatiable archer," Consumption? If so, know that relief is within your reach in the shape of Dr. Wistar's Balsam of Wild Cherry, which in many cases where hope had fled, has snatched the victim from the yawning grave. w.

**Renne's Pain-Killing Magic Oil** cures headache, and all kinds of pain. Every family should keep it in the house, to use for sudden sickness, like colic, cholera morbus, pleurisy, cramps, fits, &c. "It works like a charm." Sold by druggists, merchants and grocers. d&w.

"Tis the penalty of nature that all must fade and wither." The first inroad upon our personal charms is generally denoted by the hair, and in most cases prematurely. Let all who would preserve their natural capillary adornments make haste to apply that never-failing potency, "Barrett's Vegetable Hair Restorer."—*Hartford Courant.* d&w.

**WHAT MAKES YOUR HAIR SO BEAUTIFUL?** MRS. S. A. ALLEN'S IMPROVED (new style) HAIR RESTORER OR DRESSING, (in one bottle.) Price One Dollar. Every Druggist sells it.
